Appoint child abuse investigators:
State law requires that public school districts appoint child abuse investigators to review any claim of abuse of an ADM student by an ADM employee. I recommend the following investigators:

Approve paper for publication:
I recommend that we continue using the Dallas County News as our official publication for required legal documents.

Resolution naming depositories (Exhibit 4):
I recommend that we approve Wells Fargo, Adel, IA; Wells Fargo, Des Moines, IA; and ISJIT, Des Moines, IA, as our official depositories. Maximum balance amounts are listed on the exhibit.

First reading Board policy 501.13 “Open Enrollment Transfers-Procedures as a Receiving District” (Exhibit 5)
I have been working with Drew Bracken on some changes to policy 501.13, and I am bringing these for first reading. In paragraph two, there is additional language that provides a greater level of detail to the language “insufficient classroom space”.

We have traditionally closed open enrollment to special education students using a board resolution that was not as acceptable as Drew would like; therefore, we are recommending these changes to 501.13. Following a second and final reading in August, we will have a new resolution regarding open enrollment for 2012-13 at the same meeting. Drew Bracken has created this resolution.

SRO CONTRACT AND YEAR-END REPORT (Exhibit 6):
Monte Keller will be on hand to discuss with the Board his year-end summary. I appreciate Monte taking time to address the Board personally.

I have communicated to you the results of our meeting with Chief McNeill regarding the SRO contract. The City revised the breakdown of costs for 2011-12, lowering the cost of the two days of pay for the vacation pay to the officer. Chief expressed his apologies for the error.

As I also communicated to you, this meeting seemed to open some old wounds from back when the SRO program was first adopted. We worked through those, and agreed to meet on a quarterly basis in the coming year to discuss the SRO program and all safety related issues.

I recommend approval of the cost breakdown for the district share of the SRO program for 2011-2012.

I have also included a copy of the contract that runs through the end of the coming year, for your information. If you have any questions, please contact me prior to the meeting.

FOOTBALL TRIP TO WASHINGTON, D.C.:
I recommend approval of a football trip to Washington, D.C. Members of the football team placed 2nd at a 7 on 7 tournament and qualified for a national competition on July 13-17.

The athletes are paying their own expenses and their parents will accompany many, if not all, athletes.
DISTRICT GOALS (Exhibit 7):
I recommend approval of the 2011-2012 district goals as presented in your packet. Please let me know if you have any questions upon review of the enclosed document.

ADMINISTRATIVE REPORTS/DISCUSSION ITEMS:

Early retirement plan (Exhibit 8):
Enclosed in your materials is a document prepared by Nancy that details all district employees currently eligible for the early retirement incentive. We will take some time to discuss this document and the Board's thoughts about moving forward with plans to offer the incentive this year for eligible employees.

Facility rental agreement - draft changes (Exhibit 9):
Also enclosed in your packet is a DRAFT facility rental agreement document. Doug Gee gathered agreements from many other districts and put together a small committee that included coaches, parents, Tim Canney, Nancy Gee, and myself to review and make suggestions for changes to address our current agreement plan and issues we are experiencing with it, mainly controlling access to the buildings, determining appropriate fees for use, and understandability for all involved.

I have spent considerable time taking two area schools' plans (Carlisle and Waukee) and using those as a basis for our changes and format.

I will take time to walk through the DRAFT plan and get the Board's thoughts about those changes. I am also including our current agreement for contrast.

Our hope is to bring a version for Board approval at the August meeting.

Minburn building discussion (Exhibit 10):
We will also take time at our Board meeting to discuss the latest lease agreement proposal from the City of Minburn. Nancy, Rod, and I met with the Minburn group (including Jen) on Thursday to review. It will be important for the Board to fully understand the terms of the proposal and provide direction for next steps following our discussion on Monday night.
