Items not approved under the consent agenda:

Public Forum:
A group of high school students spoke on behalf of a new group they formed called “Raising Student Voice and Participation” (RSVP). Samantha Long voiced her concern that DeSoto Intermediate does not have a registered nurse in the building.

FY17 Budget Information:
Business Manager Gee gave a presentation on the proposed 2016-17 Certified Budget. The legislature has not set the state supplemental assistance (SSA) rate (formerly called allowable growth rate) so the tax levy presented is based on a 2.45% SSA rate. The overall tax levy rate to be published is 17.92677. The current rate is 17.93694. The General Fund will see another decrease in the fund balance at the end of 2017 as the District is limited to levying additional cash because the fund balance at the end of 2015 exceeded 20% of total expenditures. She also showed projections of tax rates in the next five years, as the District will need to levy for cash. Ms. Gee explained that the Certified Budget resources and expenditure totals (shown on the Notice of Public Hearing – Proposed Budget Summary) are estimated at a higher amount than the actual line item budget used by the District to control costs. The Proposed Budget Summary includes all funds even those that don’t have any impact on the tax levy. The increase percentages shown are over a two-year period (2015 to 2017). The large increase to the support services area includes the Teacher Leadership Compensation (TLC) positions beginning next year.

Set Public Hearing on the Fiscal Year 2017 Budget:
It was moved by Book, seconded by Roby to approve the proposed budget for publication and to set the public hearing on the 2016-17 budget for April 11, 2016 at 6:00 p.m. Motion carried unanimously.

Staffing Increases for 2016-17:
It was moved by Banwart, seconded by Book to approve the following staff increases for 2016-17: 1 full-time 5th grade teacher, 1 part-time (.5) ELL/Interventionist, 1 full-time custodian, and extending the part-time nurse to a full-time nurse (Morgan Walker). The ELL/Interventionist position will be funded through money received for ELL weighting dollars and drop out-money. Motion carried unanimously.
Set Public Hearing on Hours Versus Days:
Superintendent Dufoe stated that school districts are required to hold a public hearing prior to determining an “hours” calendar or a “days” calendar. The District is currently on an “hours” calendar. A “days” calendar has less flexibility for late starts or early release for weather/emergencies and we would not be able to count our early out schedule for professional development. It was moved by Book, seconded by Roby to set the public hearing for 6:00 P.M. on April 11, 2016 at the ADM Administration Center Board Room. Motion carried unanimously.

At Risk/Dropout Prevention Modified Supplemental Amount (MSA):
Superintendent Dufoe reported that the application was approved on March 1st with a change in the MSA for services provided to the general population. The Board approved an amount of $391,298 last month. That amount has been revised to $333,047. This is funded with property tax dollars. It was moved by Banwart, seconded by Collins to approve the revised application. Motion carried unanimously.

Adel Elementary Change Order #7:
It was moved by Roby, seconded by Collins to approve Change Order #7 for Adel Elementary for $9,196.16 which includes a deduct of $1,000 to eliminate a chain link fence, an add of $4,924.88 for a section of sidewalk, an add of $632.50 to provide a slope to the sidewalk, an add of $5,038.78 to modify door hardware, and a deduct of $400.00 for a project sign that was not installed. Motion carried unanimously.

Change Order Authority for Superintendent:
It was moved by Book, seconded by Banwart to grant Superintendent Dufoe authority to approve change requests of up to $10,000 without prior board approval for the stadium project. Motion carried unanimously.

2016-17 School and Food Service Fees:

There will be no increases for student lunch and breakfast for grades PK-5. Motion carried unanimously.
