

**ADEL DESOTO MINBURN
COMMUNITY SCHOOLS**

DeSoto Intermediate
Handbook for Students
and Parents
2018-2019

TM

Dear Families,

The DeSoto Intermediate Parent's Handbook is designed to help you work with the school district to obtain the best educational experience for your child. The information contained in this handbook will provide you with some basic knowledge about DeSoto Intermediate School.

This handbook is an extension of board policy and is a reflection of the goals and objectives of the board. The information should clarify school procedures, expectations, and the educational philosophy of Adel DeSoto Minburn Schools. We hope you will find this book a helpful reference throughout the school year. Please review it with your student and let us know if you have any questions.

At other times throughout the school year you will receive supplementary notes and calendars of events, which should be kept along with this handbook. We hope the various newsletters and this handbook will be a valuable part of the many ways we can communicate with your family.

We believe that teamwork is vital to our success and that of your child's. We want to work as a team to ensure your child has an excellent experience at our elementary buildings.

We are Tigers Hear us **ROAR!**

Respect

Others

Always Safe

Be **Responsible**

Sincerely,

Jodi Banse

DeSoto Intermediate Principal (3-5)

Adel DeSoto Minburn District Mission Statement

Our mission is to enable all students to master the skills, acquire the knowledge, and develop the social skills necessary for them to reach their full potential as citizens who can successfully meet the challenges of a changing society.

Adel DeSoto Minburn District Belief Statements

We believe:

- our school exists for the purpose of providing our students with the opportunity to acquire knowledge and master the skills essential to their future success, and students can learn and achieve when given the right conditions.
- our school exists to provide the best possible conditions for student learning and success.
- all students are entitled to expanded opportunities to master what is ultimately expected of them.
- all students should be required to demonstrate that they can apply the knowledge they have acquired.
- all students should be consistently held to high standards of performance.
- our school's effectiveness is maximized when students, staff, and community share a vision of success.
- our school can be continuously improved by seeking and using the best available knowledge and data to guide our ongoing planning, decision making, and program delivery.

ADM Shared Mission

ADM Community School District, in partnership with our communities, is committed to engaging all students in a challenging and supportive learning environment that ensures individual student success as measured by a comprehensive system of assessments.

ADM Shared Vision

ADM Students Will Experience Success Today and Achieve Their Dreams Tomorrow

“Experiencing Success Today, Achieving Dreams Tomorrow”

Administrative Staff

Superintendent's Office 215 North 11 th Street, Adel Mr. Greg Dufoe, Superintendent	993-4283
Adel Elementary 1608 Grove Street, Adel Mrs. Kimberly Anderson, Principal	993-4285
DeSoto Intermediate 317 Spruce Street, DeSoto Mrs. Jodi Banse, Principal	834-2424
ADM 6-8 Middle School 801 Drive South, Adel Mrs. Kim Timmerman, Principal	993-3490
ADM High School 801 Nile Kinnick Drive South, Adel Mr. Lee Griebel, Principal	993-4584

Address Changes

Students who are moving from the school district or who have moved to another location within the district should inform the teacher and school office so that the appropriate transfer/changes may be conducted. A note or call to the school office by the parent initiates this process.

Student Attendance Policy

It is the educational philosophy of the ADM Community School District that regular attendance by all students at school is essential and cannot be duplicated by other methods. Students are unable to obtain the maximum opportunities from the educational program offered without attendance at scheduled classes and activities. Consequently, the Board of Directors, the Administrators, and the Staff of the ADM Community School District expect that students shall be in attendance at scheduled classes for a minimum of 1080 hours.

Students are expected to be in school and to make attendance a top priority. Only through consistent attendance and class participation do students achieve the benefits of the education program. Participating in class discussion, developing an appreciation for the views and abilities of other students, and forming the habit of regular attendance are legitimate class objectives. Learning lost due to an absence can never be replaced. Regular attendance and being well prepared for class helps students in school as well as prepares students for adulthood.

Parents who know their child will be absent must notify the office prior to the absence. If advance notification is not possible, parents must notify the office on the day of the absence prior to 8:30 A.M. A parent may elect to send a note with another child in the family informing us of the absence. This note should be delivered to the principal's office. The same procedure applies if a child is absent the afternoon session after attending the full morning session. If notification is not received, the office attempts to contact the parents at their home/work number.

The school determines whether an absence is excused or unexcused. Excused absences include, but are not limited to, illness, medical, dental, religious (special services), family emergencies, serious illness or death of a family member, and school activities. If notification is not received for a student absence, the office attempts to contact the parents at their home/work number. If the school is unable to reach a parent, the student's absence will be deemed unexcused. Unexcused absences include, but are not limited to, tardiness, shopping, baby-sitting, concerts, preparation or participation in parties or other celebrations. Students are expected to be in class on time. Being tardy for class is considered an unexcused absence unless approved by the principal. The attendance procedure listed below will be followed:

1. If a child is gone at the starting time in the morning session (8:25 AM), she/he will be counted absent for a half day if they do not come to school by 10:00 AM. If they come before 10:00 AM, they will be counted tardy for the morning session.
2. If a child is gone at the starting time in the afternoon session (12:30 PM), she/he will be counted absent for a half day if they do not come to school by 2:00 PM. If they come before 2:00 PM, they will be counted tardy for the afternoon session.

Students who need to leave school during the school day must notify the office either with a signed note or a telephone call from the parents. Students who return to class or arrive after the school day has begun must present a signed note from their parent, the parent may call the school office, or the parent may personally notify the office. Students are not released to anyone other than their parents during the school day unless the office has a note signed by the parent, been instructed by a parent phone call or the parent has personally notified the office. When you pick up your child, we ask that you sign them out, and upon returning your child, we ask that you sign your child in.

Students are responsible for arranging to make up schoolwork and are allowed to make up schoolwork. Students who know they are going to be absent prior to an absence must make arrangements with their teachers in advance to make up schoolwork. Parents requesting assignments for their child who has been absent or will be absent should do so through a note to the teacher involved or through the principal's office. The teacher involved needs sufficient time to properly organize work being sent home. It is recommended that parents of absent students make their request early in the school day so that the materials can be readied by the end of the school day. Students will have two days to make up schoolwork for each day they are gone.

If parents request that a "buddy" bring work home for an absent student, it is the parent's responsibility to pick up the materials from the "buddy." **If a student is ill and not in school for the day, they will not be allowed to participate in any school sponsored events that evening (unless approved by the building principal).**

Communications to and From School

When sending a note or money to school, the student should receive clear instruction from the parents about who is the appropriate person to receive the note or the money. Also, the school regularly sends notes and papers home with students. Parents need to remind their child to notify them of notes or papers from school for the parents. Parents are responsible for knowing the contents of the notes or papers sent home. Please check your student's backpack.

Parents who use email to notify teachers/office personnel of changes in arrival/dismissal plans should not assume the teacher/office personnel has received the communication until there is a reply email. This ensures that your child is following the correct arrival/dismissal plan.

Concerns

If parents have a concern regarding a classroom and/or teacher situation in school, they are urged to first contact the teacher involved to discuss the problem and possible solutions. If the concern cannot be resolved at this level, the parent should then request a conference with the principal.

If the parent still feels that the concern has not received proper consideration, further recourse is available through the office of the superintendent. Details for initiating such action may be obtained from the principal. A general school concern not pertaining to a classroom and/or teacher situation should be directed to the principal's office.

Contacting Students During the School Day

It will be the policy of the PK-5 Schools that any person, parent(s) included, wishing to speak directly to a student, shall report to the office. The principal or designee will contact the classroom teacher and have the student brought to the office where personal messages can be relayed. Persons other than parents/guardian will not be allowed to contact pupils unless it has been cleared through the office by the parent/guardian.

The telephones at the school are business telephones. If a child has a legitimate reason to use the telephone permission will be granted by the teacher, principal, or school secretary. Because of the number of calls the school receives, it will be necessary that conversations by pupils be kept to a minimum. Except in an emergency, students are not called to the telephone. We will be happy to deliver important messages to the student involved. Students are expected to keep cell phones turned off during the school day. Parents wishing to reach their child during the school day will not be able to do so on individual student phones.

DAILY SCHEDULE

DeSoto Intermediate

7:45 A.M. Early Bus Students Arrive

8:25 A.M. Classes begin

11:00 A.M. - 12:40 P.M. Lunch and/or Recess

(each classroom has a 30 min. recess and an 18 min. lunch within this timeframe)

3:15 & 3:20 P.M. Bus Students Dismissed

3:25 P.M. Town Students Dismissed

Early Dismissal

The district has early dismissal times built into the calendar including beginning of the year, staff development and parent teacher conferences. Please note that DeSoto Intermediate School dismisses 15 minutes earlier than the other buildings in the district. If an early dismissal is utilized for inclement weather DeSoto Intermediate also dismisses 15 minutes earlier than the other buildings.

Emergency Drills

Quarterly, the school holds emergency, fire, severe storm and twice yearly evacuation/lockdown drills. At the beginning of each semester, teachers notify students of the procedures to follow in the event of a drill. Emergency procedures and proper exit areas are posted in all rooms. During emergency drills or in case of real emergencies, our teacher associates will assist students who require additional assistance in reporting to the designated emergency area.

Students are expected to remain quiet and orderly during a drill or an emergency. Students who pull the fire alarm or call in false alarms, in addition to being disciplined under the school district's policies, rules and regulations, may be reported to law enforcement officials.

Emergency Forms

At the beginning of each school year, parents must file an emergency form with the office providing the emergency telephone numbers of the parents as well as alternate persons to contact in the event the school is unable to locate the parents. The emergency form also includes a statement that gives the school district permission to release the student to the alternate person in the event the parents cannot be reached. Parents must notify the Principal's Office if the information on the emergency form changes during the school year. Please be sure to include instructions for your student in the event of an early dismissal due to weather.

Late Dismissal

Students will have the opportunity to stay on Tuesday and Thursday afternoons for Study Table. This service is intended to provide students with structured time to complete work and extra time to study. If Study Table is canceled for a particular day, parents will be notified. If a student is asked to stay for tutoring, or for a detention, the parent will be notified the day before. If this isn't possible, other arrangements may be made.

Legal Status of Student

If a student's legal status, such as the student's name or the student's custodial arrangement, should change during the school year, the parent or guardian must notify the school district. The school district needs to know when these changes occur to ensure that the school district has a current student record.

In order for the school to correctly follow judicial decrees, we are asking legal guardians to inform us of the legal child custody and guardianship arrangements. We would appreciate the legal guardian sharing with us information regarding

who has custody and under what conditions the other parent may exercise custodial and other rights regarding the child. If there is a dispute between parents, this should be resolved outside of school.

Lost and Found

A lost and found center is kept at our school. Items found should be turned in there. Students should check immediately for any item they might have misplaced. It is recommended that your child be encouraged to be responsible for their personal property. Articles should be labeled, especially coats, boots, hats, etc. Valuables and money not needed at school should be left at home.

Procedures for Students Who Are Transferring to Another School or School District

The school district automatically transfers a student's records to a new school district upon receipt of a written request from the new school district for the student's records. Parents are hereby notified that the student's records will be sent. Under these circumstances, parents, upon request, will be given an opportunity to view the student's records that were sent and a right to a hearing to challenge the content of the student's records that were sent. Parental consent is not necessary to forward a student's records to a student's new school district or for the school district to request them from a student's previous school district. When a new student transfers into the school district, the student's records are requested from the previous school district.

School Office Hours

The school offices are open from 7:30 A.M. until 4:00 P.M. on Monday-Friday. On early dismissal days when professional development meetings or conferences are scheduled, the school office typically remains open until 4:00 P.M. On other early dismissal days, the school office will be closed within a reasonable time after the dismissal.

Visitation

Parents are welcome and are encouraged to visit classes. Classroom visits afford one of the best means to gain information about the educational program and to observe your child's performance in a classroom-learning situation. At ADM we feel as though it is important to carefully guard our instructional minutes with the students. We take this task very seriously. Therefore, we ask that parents follow the following guidelines:

- We encourage parents to make classroom visits after the first two and before the last two weeks of the school year. The first two weeks is a period of adjustment as routines and procedures are being established. The last two weeks includes many special activities and "assessments (testing period)" as the school year concludes. We prefer parents **not** visit during testing time. We encourage parents to limit all classroom visits to a maximum of 30 minutes.
- We ask that you **not** bring small children when visiting the classroom.
- **All visitors to any ADM building must sign-in at the building office. Visitors to the buildings will be issued a lanyard to identify their presence in the building.** When delivering a quick message or an item to school, parents will be asked to leave the item or message with the administrative assistant. The student will be called to the office during a normal transition time of the day. This will help us avoid disruption to our instruction.
- Students from other schools will not be allowed to visit our school unless arrangements have been made with the principal's office the previous day.

ADM is committed to the providing children with daily classroom experiences that are centered around researched based instructional strategies and support the rigorous educational expectations in place. These visitation guidelines assist the school system in achieving a classroom environment that sustains routine and avoids educational distractions.

SUPPORT SERVICES

GATE

The Adel DeSoto Minburn Community School District GATE (Gifted and Talented Education) Program has a plan, which provides for four different building programs with multiple levels of service to be provided for gifted students in grades K - 12. Because educational research does not support the identification of students through the use of standardized test scores prior to the middle years, and because student ability and achievement scores tend to fluctuate widely during early elementary (primary) years, such scores will not be used to formally identify students for a "pull-out" program in grades K - 2. The GATE instructor and classroom instructor will collaborate together to identify students who are in need of the Extended Learning Program (E.L.P.) services. The GATE instructor will plan and implement activities for the Extended Learning Program (E.L.P.). Groups are fluid and change throughout the year to best meet the needs of all learners, both in their classroom and outside of it. A student may participate in an E.L.P. group for part of the year or the entire year. Participation in an E.L.P. group in past grades carries no implication for participation in future grades.

Kindergarten students are identified for math enrichment twice per year. Teachers nominate students who show higher level thinking with math concepts, and the E.L.P. teacher works one on one with the student to determine the ways in which they need to be challenged. This may include participation in math enrichment groups twice per six-day cycle. First and second grade students are identified for math enrichment based on quarterly assessments and teacher observation. A math assessment is given to the entire 1st and 2nd grade each quarter. This assessment is based on the mathematical concepts and standards that will be addressed in the following quarter. The E.L.P. teacher uses data from the assessments to identify student needs in the area of mathematics. Students may participate in math E.L.P. groups, or may receive modified curriculum in their general education classroom. First and second grade students are identified for writing enrichment based on teacher observation, written language rubrics and writing samples. Teachers complete a nomination form that is then shared with the E.L.P. teacher. Placement decisions are made quarterly, and in cases of student move-ins.

Participation in Extended Learning Program groups carries no implication for future GATE services in 3rd grade and beyond. It appears that a child's achievement scores tend to "level out" at the beginning of third grade and real ability becomes more evident; thus screening for highly gifted students can be completed to identify students in need of GATE (Gifted and Talented Education) services. Formal whole-grade screening for highly gifted students will occur at third grade, and again at fifth grade, in order to identify students for the GATE program. The process of whole-grade screening recognizes that giftedness is developmental, creativity and learning abilities peak at various times, and that each student has an individual learning profile.

The intermediate level program (grades 3-5) has three levels of service, which may be used to meet the needs of identified students. The GATE instructor, with input from the student, classroom teachers, and parents, will prepare a P.E.P. (Personalized Educational Plan) to include the level(s) of service needed to meet the student's individual needs.

Level I: Pull-In

Consistent with the intent and purpose of the ADM GATE Plan, highly gifted students may be offered a pull-in program. Pull-in students are included in this plan because students benefit both from individualized instruction and from interaction with ability peers. The pull-in program will address the areas of academic and general intellectual abilities. Students meet one to two class periods a week.

Level II: E.L.P. and Modification of Regular Curriculum

The GATE instructor serves as facilitator for students and teachers in curriculum compacting, acceleration and enrichment in any classroom in which the student demonstrates the need for P.E.P. Appropriate assessments such as Iowa Assessments, District Benchmarks, Cognitive Abilities, Gates MacGinitie, Iowa Acceleration Scale, out-of-level testing, teacher recommendation, and student portfolios may be administered in order to determine

the student's educational needs. The GATE and classroom instructors will collaborate to create a plan of instruction and implementation will be conducted by the person designated on the plan.

Level III: Special Opportunities

Special events and opportunities for specific gifted areas including creativity, leadership, and visual/performing arts may be offered. Students will be identified for these activities by appropriate inventories or assessments, including observation, Iowa Assessment scores in one or more areas, portfolio assessments, and teacher recommendation. Opportunities offered will vary from year to year, depending upon availability of special events, cost, scheduling, and transportation. Special opportunities could include activities such as Knowledge Bowl, Invention Convention, or Children's Theater.

GUIDANCE

The guidance program of the Adel DeSoto Minburn School District offers individual and small group opportunities, in addition to whole group guidance lessons. Individual and small group counseling is centered on student need. D.A.R.E. classes are held in third and fifth grade. Topics addressed in D.A.R.E. include handling peer pressure, drugs, alcohol and tobacco, and making responsible choices.

LIBRARY

The Library Media Center is a resource area for use by students and staff. A variety of nonfiction and fiction books, magazines, reference materials, laptops, and digital equipment are available for use. All items are purchased for alignment with the school curriculum and for enrichment. They are entered into the computer catalog at each building. A quiet atmosphere conducive to good study habits will be maintained in the Library Media Center.

Students will be made aware of the responsibility that accompanies the use and sharing of library materials. Book care is stressed and students are asked to transport their books to and from school in a manner that preserves books.

Materials may be checked out for a two-week period of time and may be renewed if necessary. 3rd-5th grade students may check out up to two books at a time. Damaged or lost books will be charged to the student at repair or replacement costs.

MUSIC

Vocal:

All students are given general music class instruction on a scheduled basis. All students are required to participate in Music Programs as a part of our curriculum.

Instrumental:

Lessons and Band Rehearsals are offered for students in Fifth Grade on a regular schedule. Band students are required to participate in all Music Programs.

Standards Based Learning and Reporting

Standards Based Learning communicates how students are performing on clearly defined objectives called power standards. The purpose of Standards Based Learning is to identify what a student knows or is able to do in connection to a standard. At the quarterly reporting period, students will be identified as beginning, developing, secure, and exceeding in relation to academic performance, and this identification will be based on multiple pieces of evidence. The purpose of our progress reporting is to communicate the level of student performance of each power standard and to drive classroom instruction to meet the needs of individual learners. Effort, behavior, and participation will be reported

separately from content areas, and they will not be factored into a student's level of academic performance. Reporting on the standards will be shared after each quarter of the school year.

Parents will have the opportunity to sign up for Parent/Teacher conference times at the before school Open House. Appointment times for Parent/Teacher Conferences unable to sign up before school will be assigned a time for your conference. If you are unable to attend at your designated time, please call the school office. The need for additional conferences may arise during the school year. The request may be initiated from either the home or the school. Please do not hesitate to contact your child's teacher if you need more information.

Intervention Team Meetings

The Intervention Team Meeting model is a system for supporting classroom teachers on a day-to-day basis within a building. The team is composed of teachers selected for the team, plus the teacher requesting assistance. When appropriate, other staff members, a parent, and/or a student may be included as fully participating team members. The team serves as a within-building peer problem-solving group. The team is based on the belief that teachers have the skills and knowledge to effectively teach many students with learning and behavior problems by working in a problem-solving process. The goals of the model are as follows:

1. To help regular classroom teachers to individualize instruction to meet the needs of all students--normal, handicapped, and gifted.
2. To support teachers in mainstreaming handicapped students.
3. To provide an efficient pre-referral screening for special education services.

The system is designed to provide prompt, individualized support of teachers. Teachers refer their classroom concerns to a team of selected teachers within the building. The team and the teacher requesting assistance jointly engage in a structured process of identifying the problem, brainstorming solutions, and planning interventions. Parents, students, and other specialists participate in cases when requested by the team.

A series of follow-up meetings are held to evaluate the student's progress and to plan further intervention. When appropriate, students are referred for further evaluation involving special education services.

The Intervention Team will also hold the responsibility of bringing special education referrals to the attention of the Heartland Area Education Agency.

Special Education Services

Parents and teachers can begin the referral process for students to be evaluated for possible placement into special programs. The referral forms are available through our Intervention Team. Programs available are: speech, hearing, emotional, learning, mental, physical, visually impaired, behavior, and severe/profound. Please contact the classroom teacher or building principal for further information.

The recommended referral procedures listed below assure compliance with parent and children's rights and fulfill necessary record requirements. See the flowchart, which outlines the referral procedure.

1. A pre-evaluation conference/referral should be held with the principal, the staff member, other appropriate school personnel, and AEA support staff to discuss the existing problem to see if it can be resolved at the classroom level. At this level AEA/LEA personnel may be able to provide short-term comprehensive evaluations for very mild problems.

2. If it is necessary to seek additional information, the principal will:
 - a. Secure written permission from the child's parents by using the Part II-Parent Consent for Evaluation. This form may include a request for comprehensive evaluation.
 - b. Forward the Referral Form and Parent Consent for Evaluation Form to the appropriate personnel or the Heartland Zone Coordinator.

3. Upon receiving the completed referral, Heartland personnel shall complete the appropriate types of evaluations and return a written report to the principal. Evaluations conducted by local school personnel, will be coordinated by the principal. Specific evaluations may be requested. However, when placement in a special educational instructional program is being considered, the evaluation shall include, but is not limited to the following: Speech and Language, Social Functioning, Academic Status, Hearing, Intellect, Behavioral Observation, Health History, Motor Functioning, Educational History, Vision, Adaptive Behavior, Career-Vocational.

REFERRAL PROCEDURE FLOWCHART

Plan For The Integration of Special Needs Students

The Adel DeSoto Minburn Community School District has adopted policies which afford special needs children in the district an appropriate educational program within the least restrictive environment. The district's professional staff, in cooperation with the AEA, will evaluate, staff, and provide an individual educational plan (IEP) for each special needs child in need of special education services. Procedures and guidelines for implementing the process shall include, but not be limited to, the following considerations for each child:

- * consideration of a full continuum of placement options
- * documentation to reflect the appropriateness of the placement decision
- * reconsideration of the appropriateness of the placements decision at the annual review
- * reiteration of due process procedures for parents should there be any placement disagreement
- * consideration of physical, functional, social, and societal integration needs.

The district will cooperate with the AEA, other local school districts within the AEA, districts outside the AEA, and out-of-state facilities to assure the appropriate placement of each special needs student.

In-service activities related to least restrictive environment, as well as all other aspects of the special education process, will be provided for district staff and parents at the district and building level through group presentations and written communications. One-on-one in service opportunities which occur throughout the special education process will continue to be utilized.

The district's compliance with least restrictive provisions will be evaluated through the individual educational plans (IEP) developed for each special needs child, compliance monitoring conducted by the AEA or Department of Education, and parent satisfaction with the educational progress made by their child.

ADM has several collaborative science, social studies and math classes at each grade level. In collaborative classes there are two teachers, a regular education teacher and a special education teacher. The regular education teacher teaches the same concepts to all students. The special education teacher watches for any student who might struggle for whatever reason, and she/he instructs in a more individual way that reinforces what the regular education teacher has presented. It is an added bonus to our students when there are two teachers in the classroom.

Grievance Procedure:

Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the ADM Harassment Policy all have grievance procedures for employees, students, and parents. The grievance procedure for Title IX is found on page 27 of this handbook.

DISTRICT INFORMATION

Emergency School Closing

It occasionally becomes necessary during the year to close school. Weather is usually the reason, but it may be necessary due to mechanical failure or perhaps some other reason for the safety of our students. **We request parents fill out and return a form that tells us where students are supposed to go on those occasions when an emergency school closing occurs during the school day. Please keep this information up-dated.** Students will not have time to call and ask where they are to go upon dismissal.

All emergency school closings will be announced on all local radio and television stations and on the local media websites. We **will not** be able to notify individuals of an emergency school closing. We have requested that each station announce the information regarding the closing or delayed start of our district as Adel DeSoto Minburn. The district uses a School Messenger Parent Notification System. This system gives the district a method of communicating with parents over text, email, and phone in an efficient manner.

Although regular school attendance is encouraged, parents may pick up their students from school anytime severe weather develops. Parents always have the option of not sending their children when they feel the weather is too severe. Please be assured that every effort will be made to provide for the safety of every child.

Inspection of Educational Materials

Parents and other members of the school district community may view the instructional materials used by students in school. Copies may be obtained according to board policy **(605.2)**. Persons wishing to view instructional materials or to express concerns about instructional materials should contact the principal's office.

Volunteers

School volunteers are an important and integral part of our school. There are many things they can do that help the staff do an even better job teaching our students.

The ADM Community School District has a volunteer program. Interested individuals wishing to volunteer should call the office of the building they would like to volunteer to help out in. For the safety of our children, all volunteers (including Watch DOGS) will be asked to complete a background check prior to working in the school.

Volunteers can work directly with students, reading to children, listening to children read, helping children locate books, or tutoring limited English-speaking students. They can assist teachers in classrooms, working with students or materials. Volunteers do such things as developing bulletin boards from teacher directions, develop learning stations and listening centers per teacher directions, assist with special projects in the classroom, and type items for teachers.

HEALTH INFORMATION

Communicable and Infectious Diseases

Students who have an infectious or communicable disease are allowed to attend school as long as they are able to do so and their presence does not pose an unreasonable risk of harm to themselves or does not create a substantial risk of illness or transmission to other students or employees. If there is a question about whether a student should continue to attend classes, the student shall not attend class or participate in school activities without their personal physician's approval and the final decision will be an administrative decision taking into account relevant medical opinion. Infectious or communicable diseases include, but are not limited to, mumps, measles and chicken pox.

Health Services and Procedures

The Adel DeSoto Minburn School District employs a school nurse. The nurse is present at the building if an emergency should arise. In general, the school nurse is responsible for keeping records and conducting screening on certain aspects of our students' health.

Each student is given a hearing test yearly and vision test in Pre-Kindergarten, Kindergarten and 3rd grade or as requested by staff or parents. If an area of concern is detected, the home will be contacted so that professional help may be consulted.

Another major function is in the area of communicable diseases. The State Department of Health has regulations on immunization requirements that must be met if a child is enrolled in school. The office maintains the appropriate records and will notify you if your child needs updating in this area.

If medication is to be administered at school, the Medication Authorization form must be filled out and signed by the parent/guardian. Please send only the necessary amount of medication. A copy of this form is found in the back of this handbook. Additional forms may be obtained at the school office.

Rules and procedures concerning the administration of medications to those pupils who must take medication during school hours follow. No medication shall be dispensed to any pupil in the Adel DeSoto Minburn Community School system unless the following prerequisites are met:

1. The medication must be prescribed by a licensed medical or osteopathic physician or dentist.

2. The parent must sign a request to have this prescribed medication dispensed to their child according to the written directions of the prescribing physician or dentist.
3. The prescription and the parent's signed request to dispense the medication are to be kept on file in the office from which the medication will be dispensed.
4. The medicine shall be maintained in the original prescription container, which shall be labeled with:
 - a. name of pupil
 - b. name of medication
 - c. directions for use
 - d. name of physician or dentist
 - e. name and address of pharmacy
 - f. date of prescription
5. The medication, while at school, shall be kept in a designated place, in a locked drawer or cabinet. When required, refrigeration will be provided.
6. In each building, access to the medication shall be under the authority of the nurse, administrative assistant, or principal.
7. An electronic record will be kept on any medication(s) given at school. This record will include the pupil's name, the name of the medication, the amount of medications to be given, and the time at which it is to be given. After the medication is given, the person dispensing the medication will initial the medication sheet with his/her initials. This record shall be kept each time the medication is given at school, on the appropriate "Medication List" form.
8. In accordance to 655 IAC 6.2(5) the position of the Iowa Board of Nursing is that school nurses may not administer natural remedies and supplements to school children during the school day.

Over-the-counter medication such as aspirin, Tylenol, cough syrups, cough drops, etc. requires a Medication Authorization Form with parent's signature or the signed Annual Health Update indicating permission for Tylenol or Ibuprofen. The medication must be brought to school in the original labeled container. The nurse's office stocks a small supply of Tylenol and Ibuprofen. Parent/guardian must provide liquid or chewable Tylenol or Ibuprofen if that form of medication is preferred. The registered nurse may also determine that an over-the-counter medication, ordered by a parent, could be detrimental to the child. In this case the registered nurse may refuse to administer the medication and state the reasons, in writing, to the parent.

Hearing Screening

Hearing is very important to a student's ability to listen, learn, and progress satisfactorily in school. Therefore, students will receive a hearing screening. Parents will be notified of the students who do not pass this screening. If you do not want your child to participate in the screening by the school audiologist, please contact the school. If there are any questions about the hearing testing program, please feel free to see your school nurse or principal.

Immunizations

Prior to starting school or when transferring into the school district, students must present an approved Iowa Department of Public Health immunization certificate signed by a health care provider stating that the student has received the immunizations required by law. Students without the proper certificate are not allowed to attend school until they receive the immunizations or the parent makes arrangements with the school nurse. Only for specific medical or religious purposes are students exempted from the immunization requirements. Parents who have questions about immunizations should contact the school nurse through the Principal's office.

Physical Examinations

Parents are encouraged to have their children receive periodic physical examinations. New kindergartners are required by Board Policy to have a physical exam before starting school in the fall.

Dental Screening

Legislation was passed by the State of Iowa, effective July 1, 2008, requiring all children entering Kindergarten and Ninth grade to have a dental screening. The dental screening form will be mailed in the Kindergarten packets and the Ninth grade forms will go home in the last report card for Eighth grade. Your dentist will also have the appropriate form that needs filled out and returned to school with your child. The purpose of the dental screening is to improve the oral health of Iowa's children.

Speech Screening

Students are screened for speech. Classes are set up as needed. If you have any questions, please contact the building principal. The speech clinician works in the school and is an Area Education Agency Employee.

Student Illness or Injury at School

A student who becomes ill or is injured at school must notify his or her teacher or another employee as soon as possible. In the case of a serious illness or injury, the school shall attempt to notify the parents according to the information on the emergency form. If the student is too ill to remain in school, the student is released to the student's parents or, with parental permission, to another person directed by the parents. Students need to be fever, vomit and diarrhea free, without the aid of medication, for 24 hours before returning to school. While the school district is not responsible for treating medical emergencies, employees may administer emergency or minor first aid if possible. The school contacts emergency medical personnel if necessary and attempts to notify the parents regarding where the student has been transported for treatment.

Adel DeSoto Minburn School District Food Allergy Policy/Procedure

Adel DeSoto Minburn School District will promote a safe environment that strives to protect children with food allergies and provides a climate that supports their positive psychological and social development. Children with food allergies need an environment where they feel secure and can interact with caring people they trust.

Severe allergies are serious and can be fatal. Anaphylaxis, a potentially life-threatening allergic reaction, can be triggered by exposure to one or more allergens, including foods, insect stings, drugs and latex products. Anaphylaxis can affect multiple areas of the body, such as skin, respiratory tract, gastrointestinal tract, and the cardiovascular system. Symptoms can include severe headache, nausea and vomiting, sneezing and coughing, hives, swelling of the lips, tongue and throat, itching all over the body, and anxiety. The most dangerous symptoms include difficulty breathing, a drop in blood pressure, and shock-each of which can be fatal.

Adel DeSoto Minburn School District cannot guarantee that a student will never experience an allergy-related event while at school. However, ADM has created this policy to reduce the risk so students with life-threatening allergies will not experience an allergy-related event at school. ADM recognizes that all students are unique and may require further allergy accommodations to provide optimal safety. If you feel your child requires more than what this policy outlines, please contact the school nurse to discuss and create an individual health plan for your child. The following policy will be followed for all life-threatening allergies, where appropriate.

1. Children with food allergies will be identified at registration and throughout the year by the parent and physician. All food allergies must be communicated directly with the school nurse and written on the ADM Annual Health Update form.
2. If requesting a meal accommodation, the USDA requires that a Diet Modification Request form be completed by a physician based on student need. The form may be obtained from the nutrition department or on the school website at www.admschools.org.
3. If your student has an allergy that requires cafeteria accommodations the parent must request accommodations to the school nurse at registration.
4. A form allowing the Release of Health Information will be requested from the parent to aid in communication between the nurse and physician regarding the food allergy and development of a food allergy plan. This form may be obtained from the nurse or on the school website at www.admschools.org.
5. Staff that work directly with children identified as having a food allergy will be trained by the school nurse. This includes, but is not limited to the teacher, associates and administration:
 - Allergy awareness
 - How to read food labels appropriately for the allergen
 - The student's **Food Allergy & Anaphylaxis Emergency Plan** which is located in the nurse's office
 - The use of epinephrine auto injector (EpiPen or Auvi-Q) and location
 - Updated "safe snack" list quarterly
 - Safe hand washing procedure
6. If an allergic reaction were to occur the parent will be notified and the event will be documented. When an emergency medication is administered an emergency procedural review will be conducted with all staff involved.
7. At Adel Elementary and Desoto Intermediate, parents will be notified if a food allergy exists in their student's classroom. Food allergies may change during the school year based on individuals in the classroom. For these classrooms with allergies, the school nurse will provide parents with a list of "safe food resources".
 - If a child has a food allergy the parent may provide an alternate snack for their child and it may be kept in the classroom for use as needed.
8. In Preschool – 12th grade, when providing any snacks or treats for classroom distribution, pre-packaged or store prepared foods with a complete ingredient list must be provided. Treats will be sent to school in unopened original containers. Whole, uncut fruits and vegetables are encouraged.
9. Hand washing procedures, with soap and water, will be encouraged before and after eating. NOTE: Hand sanitizer is not effective in removing peanut protein from the skin.
10. All staff are encouraged to eat allergen food products in designated staff areas.

STUDENT BEHAVIOR EXPECTATIONS

PBIS

DeSoto Intermediate School uses the PBIS (Positive Behavior Interventions & Support) framework for developing, teaching, monitoring and acknowledging student behavior. PBIS is a process for creating a school environment that is predictable and effective for achieving academic and social goals. PBIS enhances the district's current system and practices.

A key strategy of the PBIS process is prevention. The majority of students follow the school's expectations, but are rarely acknowledged for their positive behavior. Through instruction, comprehension and regular practice, all teachers and staff members will use a consistent set of behavioral rules. When problem behavior occurs, students are provided a full continuum of supports to address behaviors, such as re-teaching the expected behavior. If students do not respond, the intensity of the support increases.

PBIS is a program that focuses on acknowledging students for consistent positive behavior and providing direct instruction of expected behaviors throughout the school year. Consistent routines and language are used throughout the school environment.

We are Tigers Hear us **ROAR!**

Respect

Others

Always Safe

Be Responsible

Discipline Policy

The Board of Directors of the Adel DeSoto Minburn Community School District hereby confirms its intent to support the school discipline policy, to support school staff who enforce the discipline policy, and to hold school staff accountable for enforcing the discipline policy.

In a teaching/learning situation it is necessary that self-discipline and a positive approach towards organization work hand in hand. These not only are desired in the classroom, but must also be evident in all areas of the school setting and at school functions. It is necessary, therefore, that a cooperative plan between students, teachers, parents, administrators, other staff members, and school board members be present. This plan should be one of support, communication, and respect. It is our belief that cooperative discipline will bring out the qualities of scholarship, leadership, citizenship and responsibility found in each of our students.

As educators it is our responsibility to develop and maintain an atmosphere that is conducive for learning. To create such an atmosphere, it is necessary to establish certain rules and regulations. So that you and your child can better understand what is expected of each student, we have developed a PK-5 discipline policy.

Student's Responsibility:

Students should be aware of the conduct expected of them in the individual classroom, in the hallways, on the playground, on the school bus, and at any school functions or activities. S/he should be able to maintain an inner-discipline, which allows him/her to accept this responsibility and should attempt to keep a good line of communication open with teachers, school staff, parents, and administration. Students will be expected to:

- * respect the rights and property of other students, adults, and the district.
- * respect the authority of all school personnel.
- * practice common courtesy.
- * use appropriate voice levels while inside the building.
- * obey all playground rules.

Students who follow the discipline policies will receive positive feedback in the following manner.

- * They will receive verbal praise.
- * Students will also receive written praise in the form of certificates.
- * Those who follow school regulations will be allowed to participate in special school/classroom activities.

The board, administration and employees expect students to conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others. Students are expected to treat teachers, other employees, students, visitors and guests with respect and courtesy. Students may not use abusive language, profanity or obscene gestures or language.

This handbook and school district policies, rules and regulations are in effect while students are on school grounds, school district property or on property within the jurisdiction of the school district; while on school-

owned and/or school-operated buses or vehicles or chartered buses; while attending or engaged in school activities; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district or involves students or staff. School district policies, rules and regulations are in effect 12 months a year. A violation of a school district policy, rule or regulation may result in disciplinary action while school is in session or while school is not in session.

Students are expected to comply with and abide by the school district's policies, rules and regulations. Students who fail to abide by the school district's policies, rules and regulations may be disciplined for conduct which disrupts or interferes with the education program; conduct which disrupts the orderly and efficient operation of the school district or school activity; conduct which disrupts the rights of other students to obtain their education or to participate in school activities; or conduct which interrupts the maintenance of a disciplined atmosphere. Disciplinary measures include, but are not limited to, removal from the classroom, detention, suspension, probation and expulsion. The discipline imposed is based upon the facts and circumstances surrounding the incident and the student's record.

The school reserves and retains the right to modify, eliminate or establish school district policies, rules and regulations as circumstances warrant, including those contained in the handbook. Students/parents are expected to know the contents of the handbook and comply with it. Students or parents with questions or concerns may contact the Elementary Principal's Office for information about the current enforcement of the policies, rules or regulations of the school district.

Parent's Responsibility:

It should be the responsibility of the parents to know and see that their child is aware of the behavior expectations in policies as set by the teachers, administration, and local school board of the Adel DeSoto Minburn Community School District. Lines of communication should be maintained in a healthy, cooperative attitude while working to attain a positive result in all instances. It is to be further noted and understood that each student and parent has the right to due process in which they may request additional information.

Teacher's Responsibility:

All teachers are responsible for maintaining building and classroom standards determined individually by building policy, and by school policy. Teachers are to be responsible for discipline of all students in the hallways and playground areas and at all activities in which Adel DeSoto Minburn students and teachers are involved in the teaching/learning process. Teachers are requested to sit with their students at assemblies and large group meetings for the purpose of supervision and participation. Teachers will report to the administration what may be considered more serious infractions of the school rules.

When a student demonstrates inappropriate behavior teachers will follow the following procedures:

- * The first time the student violates a rule s/he will generally receive a verbal reminder regarding the rule s/he violated.
- * If a student repeats the same violation or violates another rule within a given period of time s/he will generally receive an appropriate punishment determined by the teacher or staff member involved. The teacher or staff member may also want to contact the parent if the situation warrants it.
- * The parents will be contacted by the teacher or the principal to inform them of the situation. The principal and/or the teacher will determine an appropriate punishment.
- * If a student is sent to the principal for continuing violations or misbehavior of a severe nature, a conference will be arranged with the student, parent, teacher, and principal. At this meeting steps will be taken to insure compliance with the discipline policy.

It is of vital importance that communication and understanding be established between teacher, student, parent, and administration when discipline problems arise.

Principal's Responsibility:

It will be the principal's responsibility to assist the parents, teachers, and Board of Education in seeing that students comply with rules of acceptable conduct within the classroom and all other areas of school. Students who choose not to comply with school rules and behavior standards will be dealt with in all cases in the following manner:

1. Students who are referred to the principal will be given an oral notice of the allegations against them and the basis in fact for the charges. Students will be given an opportunity to present an account of the concern at hand. If the principal concludes that inappropriate conduct has occurred, students will receive an explanation of why their conduct was deemed inappropriate.
2. A follow-up conference may be held with the principal and the student. The principal may also require the teacher involved to be present. The type of punishment to be administered shall be reasonable considering the nature of the student's misconduct, the age and physical condition of the student and the goal to be accomplished by the punishment. Parents will be notified of incidents of misbehavior when the incident is of a serious nature or is repetitive in nature.
3. In cases where students are consistently violating school rules or demonstrate misbehavior of a severe nature, including that which endangers other students' well-being, consideration of removal from the classroom shall be within the discretion of the person in charge of the classroom. Removal from the classroom means that a student or students are sent to the principal's office. In cases of this nature a parental conference will be requested. This conference will involve the students, his/her parents, teacher(s), and principal. Detention, probation, or an in-school or out of school suspension or a recommendation for expulsion may result from this conference.

Detention means the student's presence is required during non-school hours for disciplinary purposes. The student can be required to appear prior to the beginning of the school day, after school has been dismissed for the day, or on non-school days. Whether a student will serve detention, and the length of the detention, shall be within the discretion of the licensed employee disciplining the student or the building principal.

Probation means a student is given a conditional suspension of a penalty for a definite period of time, not to exceed ten days, in addition to being reprimanded. The conditional suspension shall mean the student must meet the conditions and terms for the suspension of the penalty. Failure of the student to meet these conditions and terms shall result in immediate reinstatement of the penalty.

Suspension means an in-school suspension, an out-of-school suspension, and a restriction from activities or loss of eligibility. An in-school suspension means the student will attend school but will be temporarily isolated from one or more classes while under supervision. The student may not attend school activities or may not participate in a contest or extracurricular activities. An in-school suspension will not exceed ten consecutive school days. An out-of-school suspension means the student is removed from the school environment, which includes school classes and activities. An out-of-school suspension will not exceed ten days. A restriction from school activities means a student will attend school and classes and practices but will not attend or participate in school activities.

A severe infraction or continual infraction of school rules or behavior problems may be referred to the Superintendent and the Board of Education. This referral will be accompanied by a recommendation for counseling and/or expulsion for their consideration. Expulsion means the removal of a student from the school environment, which includes but is

not limited to, classes and activities for a period of time set by the Board of Education. See Board Policy 502.2B for details.

Students, who have been identified as special education students, may be referred for a review of the individual student's Individualized Educational Plan. The IEP may be revised to include a continuum of intervention strategies and programming to change the behavior.

Student Guidelines

We have high expectations for all of our students. Student Expectations in All Areas of the School include:

	Respect Others	Always Safe	Be Responsible
All Areas	<ul style="list-style-type: none"> ● Follow directions the first time given ● Be kind with words and actions 	<ul style="list-style-type: none"> ● Report problems immediately ● Follow rules to keep everyone safe 	<ul style="list-style-type: none"> ● Follow directions the first time given ● Clean up after yourself

Illegal Items Found in School or in Students' Possession

Students are prohibited from distributing, dispensing, manufacturing, possessing, using, and being under the influence of alcohol, drugs or look-a-like substances; and possessing or using tobacco, tobacco products or look-a-like substances. Weapons and other dangerous objects are not allowed on school grounds or at school activities with the exception of weapons in the control of law enforcement officials or those being used for educational purposes and approved by the principal. Parents of students found in violation of this policy may be contacted, and the students may be reported to law enforcement officials. Students found in violation of this policy will be subject to disciplinary actions, which could include suspension or expulsion.

Cheating

Students are expected to do their own schoolwork. Cheating by students on their schoolwork is considered to be unacceptable behavior. Work submitted by the student(s) who cheated will not be accepted. The work will be resubmitted by the student(s) involved. The teacher involved will take the responsibility for appropriate disciplinary procedures against the student(s). Parents will be notified of cheating infractions.

Clothing and Grooming

There is a connection between academic performance, students' appearance and students' conduct. Inappropriate student appearance may cause material and substantial disruption to the school environment or present a threat to the health and safety of students, employees and visitors on school grounds. Students are expected to adhere to reasonable levels of cleanliness and modesty. Students are expected to wear clothing that is appropriate to their age level and that does not disrupt the school or educational environment.

Students may not wear clothing or other apparel promoting or depicting products which are illegal for use by minors such as alcohol, tobacco, or drugs; or apparel displaying, suggesting, or implying obscene materials, profanity, or reference to subversions. Hats are to be removed when students enter the building. Face painting and costumes can cause disruptions to a learning environment and may be asked to be removed.

While the primary responsibility for appearance rests with the students and their parents, the administration reserves the right to judge what is proper and what is not proper for wear at school and/or school activities. Clothing that creates a material and substantial disruption to school/school activities or for which there is evidence indicating that such disruption is likely, may be prohibited. Common decency requires adequate coverage of the person. Clothing that reveals undergarments or lack of undergarments is inappropriate. This policy includes sagging pants, short skirts and shorts, halter tops, tops that reveal a bare midriff or back, tube tops, garments with spaghetti straps and garments with plunging or revealing necklines. Additionally, students should not wear items that could harm others or property, such as chains or metal spikes.

Students will be asked by a teacher or other personnel to make the needed changes. This could include sending a student home to change. If students or parents are in doubt about the appropriateness of a piece of clothing, they are encouraged to bring additional clothing.

Students who continue to violate this rule will be subject to the following disciplinary action: Detentions may be assigned. Students may be denied participation in school (suspension) and/or school activities. Continual infractions may be viewed as insubordination.

During the winter season, students will stay on the blacktop unless they have snow boots on. If students wish to take advantage of the swings, the slide, and the rest of the playground equipment, they must wear snow boots and snowpants. If boots other than overshoes are worn, students should have another pair of shoes to wear inside the building. Some type of footwear must be worn at all times while in school. Snowpants are encouraged during the winter season to assist students in having dry clothing when they return to the classroom. Please label winter clothing items such as coats, hats, mittens/gloves, and boots.

Hallway Guidelines

We have high expectations for all of our students. Student Expectations in the Hallways include:

	Respect Others	Always Safe	Be Responsible
Hallway	<ul style="list-style-type: none"> ● Keep hands and feet to yourself ● Voices off so classes can learn ● Walk in line basics ● Enjoy hallway displays with eyes only 	<ul style="list-style-type: none"> ● Walk on the stairs - one step at a time ● Stay on the right side so others may pass ● Look when turning corners to avoid collisions ● Have permission to leave classroom 	<ul style="list-style-type: none"> ● Walk directly to and from your destination in a timely manner ● Close lockers quietly ● Keep belongings tidy

Recess

We have adequate space and equipment where children are free to play with others for fun, without fear of failure or rejection, and without any need for destructiveness. We see the playground as a place to help students develop desirable character and social traits.

A noon recess period is provided for all of our students during the school day. We feel that a productive learning environment also includes periods of exercise and fresh air. **All students are expected to go outside during this recess period unless they have a medical reason.** We request that a note be sent by the student's parent or doctor. A doctor's request is needed to have a student remain indoors for more than two days. Students will not be taken outdoors in times of extreme cold and during rain or wet snow.

Appropriate clothing (boots, gloves, hats, snow pants, winter jackets, etc.) must be sent with your child during cold weather. Please notify the school if you need assistance providing these items. If you have extra or outgrown items and would like to contribute them to our "extra" drawer, it would be greatly appreciated, as our supply has depleted over the years. If your child does not have snow boots and snow pants and there is snow on the ground, they will have to stand on the blacktop area that has been cleared of snow during recess.

The playground is set up for use by students during the school day who are enrolled at our PK-5 schools. Use of the playground by these students and other community persons outside this period of time is at their own risk as the district will not be responsible for actions taken during that time.

PLAYGROUND GUIDELINES

We have high expectations for all of our students. Student Expectations at the Playground include:

	Respect Others	Always Safe	Be Responsible
Playground	<ul style="list-style-type: none"> ● Use good sportsmanship: play fair, encourage others, have fun, share and take turns ● Include others in activities 	<ul style="list-style-type: none"> ● Use equipment safely and as it was intended ● Stay within playground boundaries ● Report broken equipment 	<ul style="list-style-type: none"> ● Return equipment to proper place ● Line up quickly and quietly ● Dress appropriately for the weather ● Ask adults and/or conflict managers for help ● Clean off mud/snow before entering building

TECHNOLOGY GUIDELINES

A Google Chromebook with internet access will be provided to all DeSoto Intermediate students at a 1:1 ratio. The use of these devices, and their resources, will be in support of education and consistent with the learning objectives and mission of DeSoto Intermediate School. The Chromebooks are property of the ADM School District, and they will remain at school at all times with the possible exception of home use for 5th graders as directed by teachers.

The use of these devices is a privilege, not a right. Students must act responsibly when using Chromebooks and abide by the Terms and Conditions for Use listed below. Failure to do so will result in suspension of privileges, cancellations of privileges, and/or disciplinary action; however, if individual privileges are suspended, students will have a means of accessing any necessary technology for whole group instruction only.

Terms and Conditions for Use:

1. Students will follow the classroom rules of device use as explained by teachers.
2. Students will treat all devices and equipment with care.
3. Students will use the internet for education only and access sites authorized by their teachers.
4. Students will tell a teacher right away if they encounter content that makes them feel uncomfortable, or is not appropriate, and they will not invite other students to view it.

WE ARE TIGERS...HEAR US ROAR!

Technology Expectations at DeSoto Intermediate

	RESPECT OTHERS	ALWAYS SAFE	BE RESPONSIBLE
Digital Citizenship	<ul style="list-style-type: none"> • Comment and communicate appropriately 	<ul style="list-style-type: none"> • Tell a teacher immediately if you encounter inappropriate content 	<ul style="list-style-type: none"> • Use appropriate sites • Protect private information
Moving Locations within or outside of classroom)	<ul style="list-style-type: none"> • Watch for devices when moving 	<ul style="list-style-type: none"> • Carry device securely and lid closed • Keep device in a safe place 	<ul style="list-style-type: none"> • Take device with you when necessary
Classroom Use	<ul style="list-style-type: none"> • Close lid when prompted • Keep your hands on your own device • Have permission to use someone else's device • Use headphones when necessary 	<ul style="list-style-type: none"> • Keep food and drink away from device 	<ul style="list-style-type: none"> • Complete assigned tasks • Report any problems to an adult immediately • Follow directions the first time given • Use time wisely • Attempt to problem solve on my own before asking a teacher

TRANSPORTATION GUIDELINES

If questions or concerns develop, especially regarding discipline matters, please contact your child's bus driver first as s/he may be able to respond directly to your inquiry with firsthand information. There may be times when your child's bus driver may not be able to respond directly to your inquiry. In situations like this, please make contact with either your child's principal or Richard Beechum, Transportation Director.

We have high expectations for all of our students. Student Expectations on the Bus include:

	Respect Others	Always Safe	Be Responsible
Bus	<ul style="list-style-type: none"> • Greet your bus driver • Use quiet voices • Share your seat with someone • Be kind with words and actions 	<ul style="list-style-type: none"> • Stay seated and face forward • Keep aisles clear • Keep hands and feet to self • Report problems immediately 	<ul style="list-style-type: none"> • Have bus pass ready to show driver • Choose a seat where you can make good choices • Keep track of your belongings

Transportation Director

The transportation director can be reached at, 993-5321 or by cell phone 515-779-1330 from 6:30 – 5:00 daily if your child will not be riding the bus or you need other information in regard to a change in bus route.

Morning Pick-up

The pick-up time is an approximate time that may vary with route conditions, weather, equipment, etc. It is recommended that students be ready a few minutes ahead of time. If your child/children will not be riding the bus, you may call the driver, Adel Elementary or DeSoto Intermediate Schools. The Adel Elementary and DeSoto Intermediate

Schools have direct radio contact with all buses to share necessary information. ***The bus driver is not required to wait for students at a bus stop who are not present at the designated pick-up time.*** Students must wait for the driver's signal before crossing the road to board the bus.

Evening Delivery

The return time is an approximate time that may vary with route conditions, weather, equipment, etc. ***Students must wait for the driver's signal before crossing the road after departing the bus.***

Bus Radio System

Each school bus is equipped with a radio system. If there is a need to make contact with a child on a bus or to notify the bus driver that a child will not be riding the bus to school, please call the school office where your child attends.

Bus Video Cameras

The Adel DeSoto Minburn Community School District Board of Education has authorized the use of video cameras on school district buses. The video cameras will be used to monitor student behavior, to maintain order on the school buses, to promote and maintain a safe environment. Students and parents are hereby notified that the content of the videotapes may be used in a student disciplinary proceeding. Parents or guardians will be permitted to view portions of tapes concerning their child.

Regulations Regarding Students Riding School Buses

Those students who ride a bus to school must follow all bus rules. The rules and procedures used for violations follow. Please review these bus rules. The primary responsibility for the bus driver is to drive the bus in a safe and courteous manner. Students can assist the driver in achieving this goal by cooperating fully with the regulations listed below:

1. Students are to take a seat immediately upon entering the bus and remain seated while the bus is in motion.
2. Students may talk with normal tones. Loud and/or vulgar language is not acceptable.
3. Students' books and other personal property must be properly stored either on their laps or under their seat. The center aisle shall be clear at all times.
4. Students should assist in keeping the bus clean. Foods such as candy, gum, pop, etc. should not be eaten on the bus.
5. No action, which might distract the driver from driving the bus in a safe manner on the road, will be tolerated.
6. Students will be held responsible and liable for any damage they may do to any part of the bus.

Students must be ready to board the bus at the designated time. The bus cannot wait for those students who are late. The above regulations apply to all students riding regular bus routes, shuttle routes, and all activity trips. Violations of the above regulations by any student(s) will be reported to the individual student's parents, transportation director and/or principal. Repeated violations by the student(s) may result in temporary or permanent suspension of bus-riding privileges for the student(s).

Administrative Procedure Concerning Bus Conduct

Generally, school administrators will adhere to the following sequence of events if a serious incident involving a child or children occurs on the bus while it is transporting youngsters. Drivers, like teachers, are expected to handle routine discipline problems through the use of verbal reprimand, seating charts, parental contact, etc. The following guidelines will be used.

- a. 1st Offense: Warning: The driver will talk with the student to try to correct the problems, and a warning notice will be sent home.

- b. 2nd Offense: The Transportation Director and/or Principal will be contacted about the student's misconduct, and the student may choose to be suspended from riding for all uses for 3 days, or do 1 positive thing for someone.
- c. 3rd Offense: The student will be removed from all buses for 5 days, or do 2 positive things, for 2 different people.
- d. 4th Offense: The student will be removed from all buses for 10 days, or do 3 positive things, for 3 different people.
- e. 5th Offense: The student may be considered for permanent removal from all buses.

It is the responsibility of the Superintendent or the Building Principal to make the final decision and/or recommendation to the ADM School Board as to how the child is to be disciplined. The seriousness of an offense may prescribe that the outlined process be set aside and more severe consequences be applied.

Breakfast/Lunch Program

Because we feel that breakfast is such an important part of a child's nutrition, the Adel DeSoto Minburn School District will be offering a breakfast program on the days when school is in session. Breakfast will be served in all buildings between 8:00 and 8:20 A.M. Breakfast menus will be made available with school lunch menus.

Guidelines for qualifications for free or reduced rates apply for both lunch and breakfast tickets. Forms may be obtained in the building office. Exceptions are made when students are from the same family (for example: brother and sister).

Our lunch program provides nutritional and sufficient food at the lowest possible cost. The lunch menu is published in the monthly newsletter. All students are expected to eat lunch. Students may bring a cold lunch from home and milk tickets are available for purchase. No pop is allowed in the lunchroom according to Dept. of Education guidelines. If you wish for your child to eat lunch other than at school, the student must have a note from the parent giving written permission. The note must be given to the teacher and will be approved in the office. All of the schools in the ADM District use a computerized breakfast and lunch ticket system. Each student will have their own individual account and will be the only one able to use that account. Students may deposit any amount of money in the account and will be notified when the account is running low. Money needs to be deposited into the account before lunchtime, not in the lunch line. Please try to keep up with your child's balance and do not let it get behind. If parents or guests want to visit at lunch time it is very helpful if they have the correct amount for one lunch with them and do not use their child's account. The buying of two lunches by one child is prohibited.

Breakfast Guidelines

1. Breakfast students are to come into the building NO EARLIER THAN 8:00 A.M.
2. After eating, students will be dismissed to the classroom or playground.

Lunchroom Guidelines

We have high expectations for all of our students. Student expectations in the Lunchroom include:

	Respect Others	Always Safe	Be Responsible
Cafeteria	<ul style="list-style-type: none"> ● Use table manners ● Say "Please" and "Thank you" ● Be friendly and kind to table mates 	<ul style="list-style-type: none"> ● Be aware of food allergies ● Report spills right away ● Walk in and out of cafeteria 	<ul style="list-style-type: none"> ● Have your lunch card ready ● Eat first, then visit quietly with table mates ● Clean up and throw away trash.

OTHER RULES AND REGULATIONS

Citizenship

Being a citizen of the United States, of Iowa and of the school district community entitles students to special privileges and protections as well as requiring the students to assume civic, economic and social responsibilities and to participate in their country, state and school district community in a manner that entitles them to keep these rights and privileges.

As part of the education program, students have an opportunity to learn about their rights, privileges and responsibilities as citizens of this country, state and school district community. As part of this learning opportunity, students are instructed in the elements of good citizenship and the role quality citizens play in their country, state and school district community.

Flag Salute, National Anthem and Pledge

A student shall not be forced to participate in the Pledge of Allegiance, singing of the National Anthem, or saluting of the flag. Recognizing the fact that a student has a responsibility to demonstrate a proper respect for his/her country and its flags, a student choosing **not** to participate shall either sit or stand, remaining respectfully silent at all times.

Care of School Property

Students are expected to take care of school property including desks, chairs, books, lockers and school equipment. Vandalism is not tolerated. Students found to have destroyed or otherwise harmed school property may be required to reimburse the school district. In certain circumstances, students may be reported to law enforcement officials.

Books/Textbooks

All schoolbooks must be returned at the end of the school year. Students are responsible for their textbooks, library books, etc. and will be charged accordingly for lost books, for the abuse of textbooks, and other materials. If books are not returned, students are charged a replacement fee. Damage to a book in excess of normal wear and tear is also charged to the student. Replacement costs and penalties for damages will be determined by the office and collected by the classroom teachers.

Student Lockers

Student lockers are the property of the school district. Students shall use the lockers assigned to them for storing their school materials and personal items necessary for attendance at school. It shall be the responsibility of each student to keep the student's assigned locker clean and undamaged. The expenses to repair damage done to a student's locker are charged to the student.

A student's locker can be searched whenever an administrator or teacher has a reasonable suspicion that a criminal offense has occurred or a school district policy, rule or regulation bearing on school order has been violated and the administrator or teacher has reasonable grounds that the search will produce evidence of the violation.

Items in violation of school district policies, rules or regulations found in student lockers are confiscated. Illegal items may be given to law enforcement officials.

Locker inspections may be conducted periodically throughout the school year. Inspections are conducted in the presence of the student or another person. These inspections are generally for the purpose of insuring that lockers are clean and well kept.

Inappropriate Items at School

Students may not possess radios, televisions, water guns, toys, CD players, MP3 players/iPods, video games, beepers, weapons, and other similar items on school grounds or at school activities. The items will be taken away from the students and returned at a later date. Cell phones are to be turned off and kept in the student's backpack while at school. If a student uses an electronic reader at school, they are asked to have their teacher store the device during non-reading times. These devices are to be used for reading and could be asked to remain at home if they are used for other purposes.

Student Property at School

Students who bring items to school assume all risks associated with their action. Students should not be encouraged to bring personal items to school unless the items are related to specific classroom activities. If a staff member feels that an item or items a student has brought to school is inappropriate or potentially dangerous to the individual student or another person, that staff member may take that item or items from the student. The item or items in contention, especially if it might be potentially dangerous to the student or another person, will be brought to the attention of the principal.

An inappropriate or potentially dangerous item or items will be either destroyed or returned to the student's parent or guardian. Disciplinary action, if any is necessary, will be determined in an appropriate manner and time.

Bicycles

Students may ride their bicycles to school. Bicycles are to be walked when on the school property. All bicycles are to be parked in the bicycle rack area. Students are to park their bicycles immediately upon arriving on the school grounds. No loitering is allowed near the bicycle rack. The school district is not responsible for students riding to or from school, and assumes no responsibility for bicycles on the school grounds.

Roller Blades and Skateboards

Students may not use roller blades and/or skateboards on the school grounds during school hours. Exception: an approved activity in Physical Education class.

Gum and Candy

Gum and candy should be left at home. Students are not allowed to bring gum and candy to school unless invited to for a classroom reward.

Selling Items at School

Students or staff members are not permitted to solicit or sell merchandise to other students or staff members at school.

Room Parties, Treats, and Invitations

Fall, Winter, and Spring parties are held at various times throughout the year. Parents who do not want their child to participate in these parties should notify their child's teacher or the principal's office. A written request is preferred.

Treats for students have been part of recognizing a student's birthday at school for many years. We realize this is an

individual preference type of activity and some students do this while others do not. Please know that when providing treats for celebrations, including birthdays, the District Food Allergy Policy must be followed (refer to page 18). In Preschool – 12th grade, when providing any snacks or treats for classroom distribution, pre-packaged or store prepared foods with a complete ingredient list must be provided. Treats will be sent to school in unopened original containers. Whole, uncut fruits and vegetables are encouraged. Snacks brought to school that do not follow this policy will be sent home.

Students are welcome to bring water to school in a water bottle that fully seals to prevent classroom spills. We ask families to refrain from adding flavor packets the water as the color causes staining on carpeted areas.

Distributing party invitations at school creates problems because of who is and who is not invited. **Party invitations will not be distributed at school.**

Posting of Information

All flyers distributed to students or staff must receive approval from the Office of the Superintendent. Please allow ample time for your flyer to be processed. Please provide a link or email an electronic version of your flyer to Debbie Stiles at dstiles@adm.k12.ia.us to receive approval. If your flyer is not available online, we will host it for you. It will remain for approximately one month. Flyers will be posted on the first business day of every month, September through May. Hard copies of flyers may be sent to the Administration Center for distribution to each building, so long as they are separated and marked with each building's name. These hard copies will be made available for voluntary pick up in the office area.

Religion-Based Exclusion from School Program

The ADM Community School Board recognizes the existence of various religious beliefs and acknowledges the American tradition of separation of church and state. Parents who wish to have their child excluded from a school program because of religious beliefs must inform the principal. If the principal grants an exemption, s/he will designate an alternative activity or study for the student. In notifying the principal, the parents shall abide by the following:

- * The notice shall be in writing.
- * The objection shall be based on religious beliefs.
- * The objection shall state which activities or studies violate their religious beliefs.
- * The objection shall state a proposed alternate activity or study.

ACTIVITIES

Assemblies Guidelines

Throughout the year the school district sponsors school assemblies. Attendance at these assemblies is a privilege. Students must act in an orderly fashion and remain quiet on their way to an assembly, during an assembly and on their way back to the classroom after an assembly. Students attend assemblies unless, for disciplinary reasons, the privilege is taken away. Students who are not attending assemblies shall report to the Principal's office during assemblies.

We have high expectations for all of our students. Student expectations at Assemblies include:

	Respect Others	Always Safe	Be Responsible
Assembly	<ul style="list-style-type: none"> ● Attention on speaker ● Participate appropriately (clapping, cheering, etc.) 	<ul style="list-style-type: none"> ● Walk to and from assembly ● Stay with your class 	<ul style="list-style-type: none"> ● Sit in body basics ● Participate appropriately ● Use restroom before or after assembly

Field Trips

A field trip is a learning activity which takes children from their regular meeting place for the purpose of seeing or doing something to further specific skills and understanding. The teacher plans and is responsible for the activities involved in a field trip.

Due to the cost of providing such events parents will be given an opportunity to donate money to a field trip fund. Making a donation to field trips is an option for families. Donations will be used to offset some of the cost of field trips at the elementary level.

A parent permission form for all field trips off school grounds will be shared at the beginning of the school year for parents to sign and return to school. Parents are requested to sign this form granting permission for their child to participate in field trips off school grounds throughout the school year with prior notification being supplied by their child's teacher.

Field trips will begin and end at school and will be scheduled during regular school hours if possible. Before each field trip the teacher will send home basic information regarding that particular experience. Children who are not permitted to participate in the field trip will remain at school under the direction of another teacher.

The only children that go on our field trips are students that attend Adel DeSoto Minburn. Parents are asked to come and attend field trips as chaperones for our students as space is permitted on the bus.

Activity/Field Trip Bus

The school district may sponsor an activity/field trip bus to transport students to school activities. Riding on the activity/field trip bus is a privilege that can be taken away. Students who ride an activity/field trip bus must ride to and from the event on the bus. Students ride home on the activity/field trip bus unless prior arrangements have been made with the principal or the student's parent personally appear and request to transport the student home.

School Pictures

Class and individual pictures are taken yearly. Parents will be notified of the time pictures will be scheduled. Information regarding the cost of the pictures and other details will be sent home. The purchasing of pictures is entirely the parent's option and no effort will be made by the school to encourage the parent's option. **School pictures will be taken on September 5, 2018.**

NOTICES

Abuse of Students by District Personnel

It is the policy of the Adel DeSoto Minburn Community School District that school employees and volunteers not commit acts of physical or sexual abuse, including inappropriate and intentional sexual behavior towards students. It is the policy of the district to respond to allegations of abuse by school employees or volunteers by investigating or arranging for the full investigation of any allegations, and to do so in a reasonably prudent manner.

Anyone believing that a student has been abused by a district employee or volunteer may report the abuse to Amy Hemphill ([515-834-2424](tel:515-834-2424)) or Matt Lohmann ([515-993-4584](tel:515-993-4584)), Level One Investigators.

The entire policy on abuse of students by district personnel is defined in Board Policy 502.13. The requirements of 281

Iowa Administrative Code Chapter 102 shall govern the investigation of alleged cases of physical or sexual abuse, including sexual harassment, of students by district personnel.

Enrollment Regulations

Children in the school district community will be allowed to enroll in the school district's regular educational program at age five (5). The child must be age five (5) on or prior to September 15th to participate in the school district's kindergarten program. The child must be age six (6) on or prior to September 15th to begin the first grade of the educational program. The board of education may exclude a child under age six (6) under certain conditions.

Nondiscrimination Statement

Students, parents, employees, applicants for employment, and others doing business with or performing services for the Adel DeSoto Minburn Community School District are hereby notified that this school district does not discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in admission or access to, or treatment in, its educational programs and activities and in its hiring and employment practices, as provided by applicable federal and state law.

There is a grievance procedure for processing complaints of discrimination. Any person having inquiries or complaints concerning the school district's compliance with the regulations implementing Title VI, Title VII, Title IX, the Americans with Disabilities Act (ADA), § 504 or *Iowa Code* § 280.3 is directed to contact:

Nancy Gee, Business Manager
District Administration Center

215 N. 11th St. Adel, IA 50003

[\(515\) 993-4283](tel:5159934283)

ngee@admschools.org

Office hours: 8:00 a.m. – 4:30 p.m. Monday through Friday

who has been designated by the school district to coordinate the school district's efforts to comply with the regulations implementing Title VI, Title VII, Title IX, the ADA, § 504 and *Iowa Code* § 280.3. Or the Director of the Office for Civil Rights U.S. Department of Education, Citigroup Center, 500 W. Madison Street, Suite 1475, Chicago, IL 60661-7204, Telephone: [\(312\) 730-1560](tel:3127301560), FAX: [\(312\) 730-1576](tel:3127301576), Email: OCR.Chicago@ed.gov.

Harassment and Bullying Policy

It is the policy of the ADM Community Schools to maintain a learning and working environment that is free from harassment and bullying. Harassment includes, but is not limited to, race, color, national origin, gender, disability, religion, creed, age (for employment), marital status (for programs), genetic information (for employment), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. School district includes school district facilities, school district premises, and non-school property if the employee or student is at any school sponsored, school approved, or school related activity or function where students are under the control of the school district or where the employee is engaged in school business. Violations of district policy or procedure will be cause for disciplinary action up to and including expulsion or dismissal.

Students or employees who feel they have been harassed or bullied are encouraged to contact a school official. Procedures for addressing alleged harassment and bullying by school personnel are outlined in Board Policies 103, 401.3 and 502.13.

Homeless Students

In accordance with Chapter 33, Iowa Administrative Code, the Adel DeSoto Minburn Community School District encourages homeless children and youth to enroll in school. For information, please contact the Superintendent's Office, 215 North 11th Street, Adel, Iowa 50003. Phone number: 515-993-4283.

Human Growth and Development

The Adel DeSoto Minburn Community School District has identified Human Growth and Development curriculum objectives that are infused throughout the curriculum. Every grade and subject level has an outline of the objectives addressed. Parents/guardians may examine this outline and the teaching materials at any time. If parents find topics objectionable, they may choose to remove their child/children from the class during the discussion of these topics. Please contact your building principal if you have concerns.

Open Enrollment

Parents/guardians considering the use of the open enrollment option to enroll their children in another public school district in the State of Iowa should be aware of the following dates: March 1, 2019 - Last day for regular open enrollment requests for the 2019-20 school year. Kindergarten only 2019-20 deadline: September 1, 2019.

If good cause exists, you must file by September 1. Parents should be aware that open enrollment may result in the loss of athletic eligibility at the varsity level.

Parents/guardians of open enrolled students whose income falls below 160% of the federal poverty guidelines are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend. Transportation assistance requirements are filed in the district of residence.

All appeals must be made to an Iowa District Court unless the application for open enrollment claims harassment or if the child has a serious health condition that the resident district cannot adequately address. Appeals should be filed in district court in the county in which the resident district's administrative office is located.

The State Board of Education does not hear appeals unless one of the following claims was made as a basis for good cause:

*Child has serious health condition

*Child has experienced pervasive harassment

If the application is denied by the resident district for either of these reasons, the parent/guardian may appeal to the local board of directors. If an application is denied by the local board of directors, the applicant may appeal to the State Board of Education. The appeal should be addressed to Administrative Law Judge, Department of Education, Grimes State Office Building, 400 East 14th Street, Des Moines, IA 50319-0146. The letter of appeal must be postmarked within 30 days of the board decision.

For further details, see the Department of Education website or contact Debbie Stiles in the ADM District Office at 993-4283 ext. 7090.

Section 504 of the Rehabilitation Act of 1973

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. In order to fulfill obligations under Section 504, the Adel DeSoto Minburn School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the program and practices of the school system. If there are questions, please feel free to contact the building principal.

Student Directory Information

The Adel DeSoto Minburn Community School District and/or principal of each building may release the following types of directory information to the public using discretion relative to the privacy of the student and the family and the totality of the surrounding circumstances: *NAME, ADDRESS, TELEPHONE LISTING, DATE AND PLACE OF BIRTH, MAJOR FIELD OF STUDY, PHOTOGRAPH AND LIKENESS, PARTICIPATION IN OFFICIALLY RECOGNIZED ACTIVITIES AND SPORTS, WEIGHT AND HEIGHT OF MEMBERS OF ATHLETIC TEAMS, DATES OF ATTENDANCE, DEGREES AND AWARDS RECEIVED AND THE MOST RECENT PREVIOUS SCHOOL OR INSTITUTION ATTENDED BY THE STUDENT.*

Parents who do not want their child's directory information to be released and/or published must notify their principal in writing no later than September 15th of the school year.

Student Records Policy

The Adel DeSoto Minburn Community School District maintains records on each student in order to facilitate the instruction, guidance, and educational progress of the student. The records contain information about the student and his/her education and may include, but are not limited to the following types of records: Identification data, attendance data, record of achievement, family background data, aptitude tests, educational and vocational plans, honors and activities, discipline data, objective counselor or teacher ratings and observations, and external agency reports.

The records of each student are generally located in the school that s/he is attending. Any exception will be noted in the student's other records or by the person in charge of record maintenance for each school building. The name and position of the person responsible for maintenance of student records for each building is listed below:

Adel Elementary	Mrs. Kimberly Anderson	515-993-4285
DeSoto Intermediate	Mrs. Jodi Banse	515-834-2424
ADM 6-8 Middle School	Mrs. Kim Timmerman	515-993-3490
ADM High School	Mr. Lee Griebel	515-993-4584

The following persons, agencies, and organizations may have restricted access to student records without prior written consent of the parent or student over the age of 18 years. Any other access to student records shall be only upon written consent or upon court order or legally issued subpoena.

1. Other school officials, including teachers, determined to have legitimate educational interest in the information;
2. Another school where the student seeks or intends to enroll;
3. Specified government officials for audit or evaluation purposes (e.g., DE or ADA officials, CPAs, state auditor);
4. Appropriate parties in connection with financial aid to a student to enable the student to attend an education institution;
5. Organizations conducting certain studies for or on behalf of the school;
6. Accrediting organizations;
7. Juvenile justice authorities under the terms of Iowa Code section 280.25;
8. Appropriate officials in case of health and safety emergencies;
9. Parents of dependent students as defined in the IRS Code;
10. Pursuant to court order.

Student records are reviewed and inappropriate material removed periodically and, at a minimum, whenever a student moves from the elementary level to middle school level to high school level, and when a student transfers out of the district. Those records not of permanent importance are destroyed within three years of graduation or discontinued attendance.

Parents of students under age 18 and students over age 18 may exercise the opportunity to review educational records of the student, to obtain copies of the records, to write a response to material in the record, to challenge the content of the record on grounds of inappropriateness, inaccuracy, or an invasion of privacy, and to have the records explained.

Students and parents may file with the Department of Education, complaints concerning alleged failures of the school district to comply with federal legislation dealing with student records. Correspondence should be addressed to: Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605

Waiver of Student Fees

A student whose family meets the income guidelines for free or reduced price lunch or other applicable income standards is eligible to have his/her student fees waived or partially waived. Parents or students who believe they may qualify for a waiver should contact the Superintendent's Office for a waiver form. This waiver does not carry over from year to year and must be completed annually.

Definitions

In this handbook, the word "parent" also means "guardian" unless otherwise stated. An administrator's title, such as superintendent or principal, also means that individual's designee unless otherwise stated. The term "school grounds" includes the school district facilities, school district property or premises, property within the jurisdiction of the school district or school owned or school operated buses or vehicles and chartered buses. The term "school facilities" includes school district buildings. The term "school activities" means all school activities in which students are involved whether they are school-sponsored or school-approved, whether they are an event or an activity, or whether they are held on or off school grounds.

Adel DeSoto Minburn School District
Medication Authorization Form

Student's Name _____ Grade _____

Medication _____ Dose _____ Time to be given _____

Date From _____ TO _____

The medication needs to be furnished by parent or guardian in original container by the manufacturer or with pharmacy label if it is a prescription. This request must be signed by parent or guardian to authorize giving the medication during school hours.

Signature of Parent or Guardian

Date Signed

My child has Asthma and he/she is trained to use his/her medication and will carry it with them. In order for a student to self-administer medication for asthma or any airway constricting disease:

1) Parent/guardian provides signed and dated authorization for medication to be self-administered.

2) Physician provides written authorization containing:

-Purpose of the medication

-Prescribed dosage

-Times or circumstances under which the medication is to be administered

-Contradictions or side effects

3) The school district or accredited nonpublic school shall notify the parent or guardian of the student, in writing, that the school district or accredited nonpublic and its employees are to incur no liability, except for gross negligence, as a result of self-administration of medication by the student. A school district or accredited nonpublic school and its employees acting reasonably and in good faith shall incur no liability for any improper use of medication as defined in this section or for supervising, monitoring, or interfering with a student's self-administration of medication as defined by section 280.16 of on the Iowa Code.

Signature of Parent or Guardian
