Google G Suite for Education / Online Services Consent

To parents and guardians,

At Adel DeSoto Minburn School District, we use G Suite for Education, and we are seeking your permission to provide and manage a G Suite for Education account for your child. G Suite for Education is a set of education productivity tools from Google including Google Docs, Google Slides, Google Sheets, Google Classroom, Google Calendar, Google Mail, and more used by tens of millions of students and teachers around the world. At Adel DeSoto Minburn School District, students will use their G Suite accounts to complete assignments, communicate with their teachers, sign in to their chromebooks, and learn 21st century digital citizenship skills. Adel DeSoto Minburn School District feels that using these services greatly enhances the educational experience of your student.

The information linked below provides answers to common questions about what Google can and can’t do with your child’s personal information. Please note:

- Google does not serve ads in the Core Services or use personal information collected in the Core Services for advertising purposes.
- Google does not use any user personal information (or any information associated with a G Suite for Education Account) to target ads, whether in Core Services or additional Google services accessed while using a G Suite for Education account
- Google will not share personal information with companies, organizations and individuals outside of Google other than parent/guardian, Adel DeSoto Minburn School District, external processors bound to G Suite for Education Privacy Notice, and to meet legal requirements.

Please read the following information, and let us know if you have any questions.

- [G Suite for Education Privacy Notice](#)
- [G Suite for Education Notice](#)

Once you have read the linked information, check the appropriate box on the registration form to indicate that you’ve read the notice and give your consent.

I give permission for Adel DeSoto Minburn Schools to create/maintain a G Suite for Education account for my child and for Google to collect, use, and disclose information about my child only for the purposes described in the G Suite for Education Notice cited above, as well as other educationally related Internet Services that might collect student identifiable information.

Thank you,

Chad Frerichs, District Technology Director
