Rotary Club of Adel and Adel Police Department Safety Bike Rodeo May 4, 2024

ADM Schools students ages 5-12 and their parent(s) are invited to bring their bicycles and helmets to participate in the 5th Annual Safety Bike Rodeo, scheduled at the Adel City Hall Parking Lot, 301 S. 10th Street, Adel, from 9:00 a.m. to 11:00 a.m. on Saturday, May 4. The event is organized by the Rotary Club of Adel and the Adel Police Department to promote safe bicycle-riding habits and to reduce accidents involving children. This come-and-go event is free and offers interactive activities for children. Parking is available in the lot beside the Adel Public Library and in the lot south of the Adel Public Safety Building or on side streets.

A course with a series of five safety stations gives children the opportunity to learn correct riding skills. A thorough safety inspection of the bicycle is the first step on the course. Professionals will also check the child's bike helmet to make sure it fits well and is being worn properly. If the child does not have a bike helmet, a loaner helmet will be fitted to use during the event. Parents are also encouraged to bring their bikes for a safety inspection free of charge.

The remaining bike safety stations focus on riding techniques and skills. Children will be asked to ride through an established course. The emphasis for youth at this event is to learn how to control their bicycle and to follow the rules of the road.

Children completing the safety course will receive a certificate of completion, bike safety information, free icees and bottles of water, and DARE giveaways. Registered riders will be entered in a drawing for prizes at the conclusion of the event. Entrants need not be present to win.

Other activities at the Safety Bike Rodeo include tours of a police car and a fire engine and the opportunity to visit with an Adel Police Officer and Adel Firefighters. In addition, the Raccoon River Valley Trail is nearby for riding or walking.

The 5th Annual Safety Bike Rodeo is made possible through the generosity and support of the Rotary Club of Adel, the Adel Police Department, and the City of Adel, as well as its many sponsors.

For further information, contact Shirley McAdon, Rotary Club of Adel (993-4862) or Monte Keller, Officer, Adel Police Department (993-6723).
